3.

His surname lives on in the everyday process of heating milk to kill harmful microbes. Fill in the name Louis _____

A. Jenner
B. Lister
C. Pasteur
D. Koch

SCIENCE QUIZ

4.

National Science Day in India celebrates the discovery of which scientist's "effect"?

A. CV Raman
B. S. Chandrasekhar
C. Jagadish Chandra Bose
D. Homi J. Bhabha

SCIENCE QUIZ

5.

The 2019 revision of the SI redefined this as follows:

It is defined by taking the fixed numerical value of the elementary charge, e, to be 1.602176634×10−19 when expressed in the unit C, which is equal to __, where the second is defined in terms of ΔvCs [unperturbed ground state hyperfine transition frequency of caesium-133]. Which unit?

A. Coulomb
B. Ampere
C. Watt
D. Joule

SCIENCE QUIZ

6.

This substance comes from lichens, which are partnerships between a fungus and an algae.

A. Turmeric
B. Litmus
C. Phenolphthalein
D. Hibiscus

SCIENCE QUIZ

7.

Imagine you could dig a tunnel to the exact centre of the Earth and stand there. Compared with your weight on the surface, your weight at the centre would be:

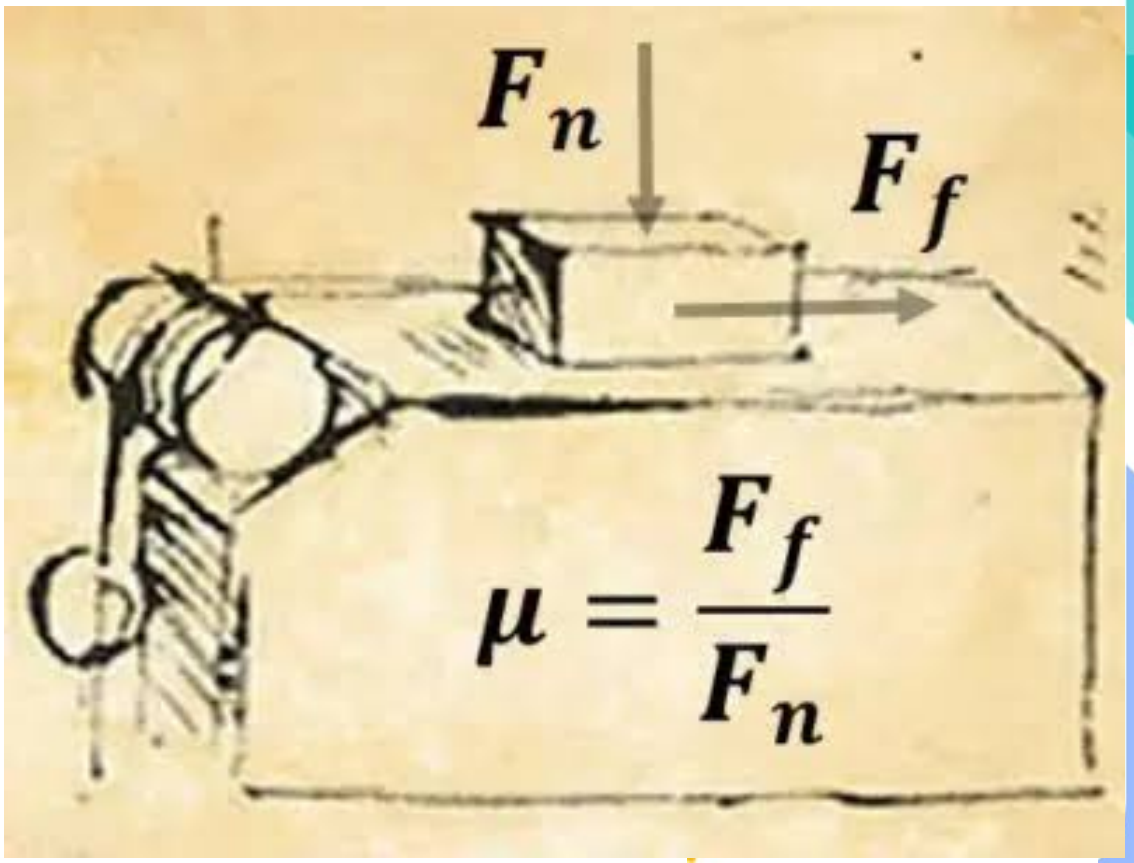

A. Much greater, because you're closest to all of Earth's mass
B. The same, because your mass hasn't changed
C. Zero
D. Infinite, because the distance from the centre is zero

SCIENCE QUIZ

8.

This is an early diagram by Leonardo da Vinci as a Tribologist. What is tribology the study of?

A. Gravity
B. Inertia
C. Buoyancy
D. Friction

SCIENCE QUIZ

9.

The Current War is a 2017 historical drama film inspired by the 19th-century competition between two scientists over which electric power delivery system would be used in the United States (often referred to as the "war of the currents”. Which scientists?

A. Edison and Faraday
B. Tesla and Marconi
C. Edison and Westinghouse
D. Edison and Tesla

SCIENCE QUIZ

10.

In March 2024, the International Astronomical Union approved the name “Statio Shiv Shakti” for a landing site. Another site nearby, where an earlier mission crash-landed, has been named “Tiranga Point.” The day of the touchdown at Shiv Shakti, 23 August, is now celebrated as National Space Day in India.

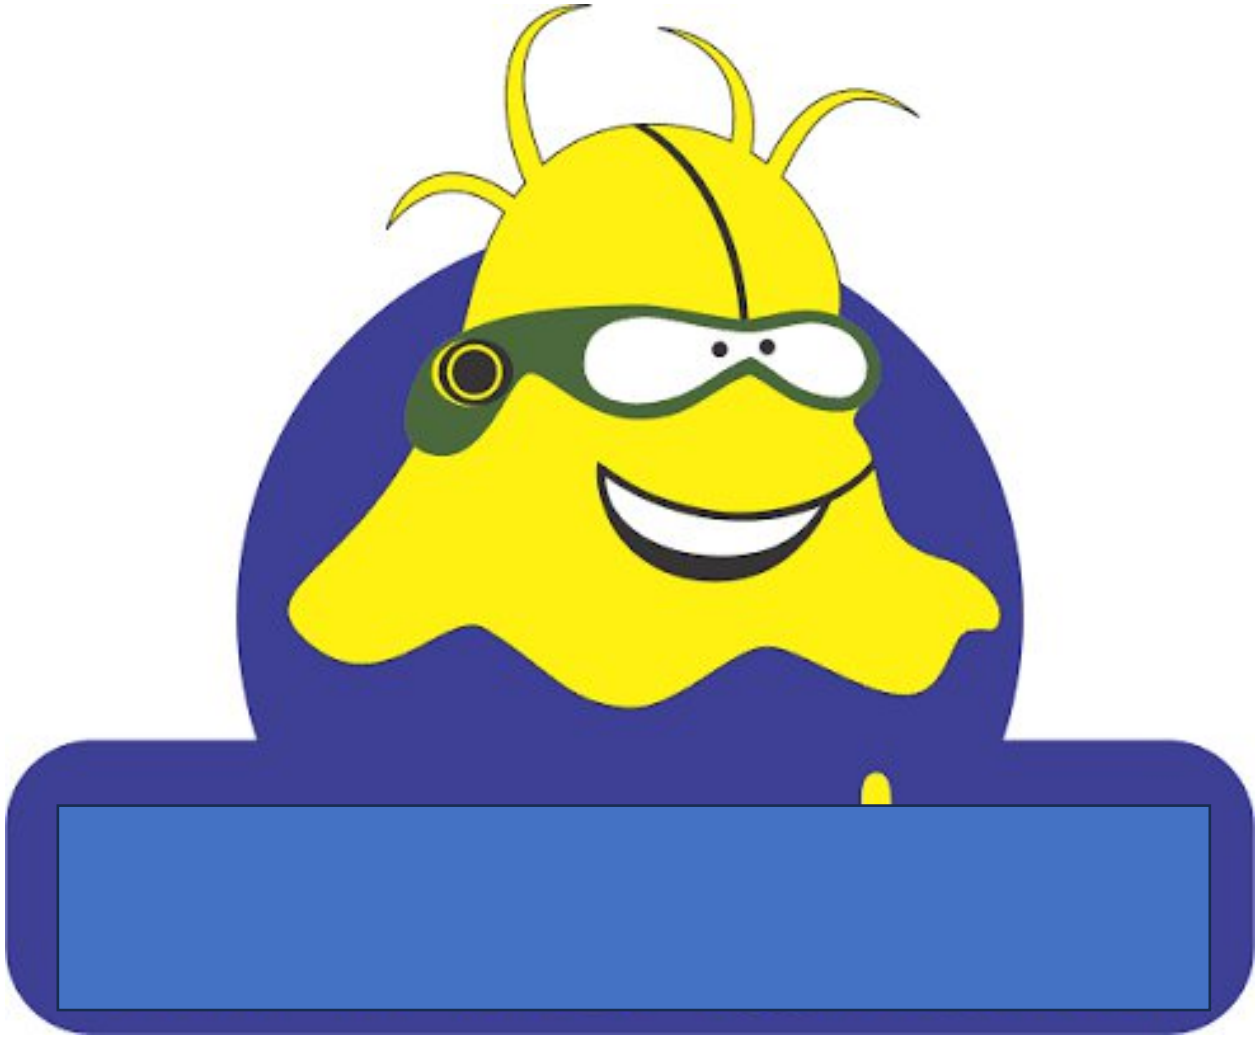

Where is Shiv Shakti located?
